This tournament is a 90% handicap tournament of 200. Last years' certified averages will be used. If no average last year, a certified average from this year with 15 games may be used with verification. If no certified averages, Men will use 165 and Women will use 130. A team consists of two bowlers of any gender. Multiple participation is allowed as long as one team member is changed and shifts are available. There will be a total of 4 games bowled between the bowlers. In the first game one bowler will throw the first ball for every frame with the other bowler to bowl the second ball of every frame. In the 10th frame the first bowler will take the third ball if one is needed. Prizes will be paid on handicap scores with at least one prize for every four teams. Please make all checks to Wal-Roc USBCA.

Please mail all entries to: Karen Klabunde
